

Information pursuant to Article 13 of EU Regulation 2016/679

We wish to inform you, pursuant to articles 12, 13 and 14 of the European Regulation 2016/679 also known as "General Data Protection Regulation" (hereinafter "GDPR") relating to the protection of individuals with regard to the processing of personal data, as well as the free circulation of such data, that information and the data you provide or otherwise acquired in the context of the services provided by **LIFE AND DEVICE** will be subject to processing in compliance with the aforementioned provisions and confidentiality obligations inspire the activity of our Life and Device.

By processing of personal data we mean any operation or set of operations carried out also without the aid of electronic tools, concerning the collection, registration, organization, the conservation, consultation, processing, modification, selection, extraction, comparison, use, interconnection, blocking, communication, dissemination, deletion and destruction of data, too if not registered in a database. The purpose of this information is to make the purposes for which it is disclosed in full transparency we could use your data, how we will manage it, to whom it could be communicated, where it could be transferred (within or outside the EU) and what his or her rights are.

Who treats your data

Your data will be processed by **LIFE AND DEVICE** as Data Controller. In addition to **LIFE AND DEVICE**, we hereby inform you that they could be nominated External Managers for the processing of personal data which would be appropriately mapped, surveyed, contracted and appointed by **LIFE AND DEVICE** on the basis of the provisions of art. 28 of the GDPR. The list of external managers for the processing of Personal Data will always be available at the headquarters of **LIFE AND DEVICE**.

Because we need your data

LIFE AND DEVICE will use your data exclusively for the following purpose:

- Purposes related to the management of the contractual relationship and the provision of the Services: your data will be processed for the following purposes: establishment, management and termination of the contractual relationship e commercial; fulfillment of accounting and tax obligations; fulfillment of legal obligations (ad example: counter-terrorism checks); anti-money laundering checks; tax and accounting checks; management of disputes; provision, support, updating and information regarding the Services offered and the available features.

LIFE AND DEVICE will carry out the treatment:

- because it is necessary for the contractual obligations referred to in the previous point;
- because it is necessary to fulfill the legal obligations to which you are subject (ex. accounting obligations, salaries, social security, counter-terrorism controls);
- because the treatment is necessary to pursue a legitimate interest (ex. anti-money laundering checks, use of video surveillance tools to protect the Life and Device heritage, prevention of fraud, safeguarding strategic interests in Life and Device and related relationships commercial). It follows that the provision of Personal Data is mandatory for the aforementioned purposes. Any failure to provide the data will make it impossible to achieve the purposes previously indicated and therefore to follow up the contractual relationship. The extent and adequacy of the Data conferred will be evaluated from time to time, in order to determine the consequent decisions and avoid the processing of Data in excess of the aims pursued.

LIFE AND DEVICE undertakes not to use your personal data for different and additional purposes than those described in this statement, if not previously informing you and, where necessary, obtaining your consent.

How we will use your data

LIFE AND DEVICE aims to protect the data of its customers, focusing their treatment on principles of correctness, lawfulness and transparency. We therefore inform you that your personal data will be processed,

using appropriate tools and procedures to guarantee maximum security and confidentiality, through archives and paper supports, with the aid of digital media, computerized and telematic means. We would like to remind you that you have the right to exercise the right of opposition which, in the absence of your indication contrary, it will refer to both traditional and automated communications.

How long we will keep your information

Your personal data will be kept for a period starting from their receipt / update congruent with the processing purposes indicated above and complying with the requirements of the law in first place. With a view to full transparency, it is available at the headquarters of **LIFE AND DEVICE** on document "Data retention policy", an integral part of the Management and Protection System of Life and Device data itself and you have the right to request a copy by contacting Life and Device at following email address: **info@lifeanddevice.com** . In the same document you will also find the indications about the criteria used to determine this period.

Will we share your information with others?

For the purposes indicated above ("Why we need your data") your Data may be disclosed to third parties, [including debt collection companies, user companies, professionals, bilateral organizations of sector pursuant to Article 24, paragraph 2, letter h), CCNL Administration Agencies, Public Bodies, Organizations of review or supervision], to fulfill obligations deriving from the law, regulations, community regulations or for aspects concerning the management and execution of the contractual relationship. For all the purposes indicated in this statement, your Data may also be communicated abroad, inside and outside the European Union, in compliance with the rights and guarantees provided for by current legislation, after verifying that the country in question guarantees an "adequate" level of protection. The Data could also be processed by internal resources of **LIFE AND DEVICE** , adequately educated, who would operate as authorized personnel for the processing of data. Access to the archived data can only be made by public authorities, in the cases and methods provided by the laws in force, in the event of legal disputes. Your Personal Data will not be subject to disclosure.

What are your rights?

At any time, you will have the right to ask:

- access to your personal data;
- their correction in the event of their inaccuracy;
- cancellation;
- the limitation of their treatment.

It will also have:

- the right to oppose their processing if processed for the pursuit of a legitimate interest of **LIFE AND DEVICE** ;
